

As the parent or legal guardian of _____, I have made the choice to transport my student to from _____ for the _____ overnight travel trip. I am declining the transportation options that would be made available through the Jordan School District. I also understand that all student overnight travel in Jordan School District is governed by their policies for the protection and safety of the students they serve.

Jordan School District Policy AA414 "Student Overnight Travel" section II. A. 10c states: "No private vehicles may be used in overnight travel or school sponsored excursions that exceed 150 miles one way. Parents or legal guardians wishing to transport their own children, with the approval of the administration and/or the team coach/adviser, will not be under the jurisdiction of Jordan School District."

Although I, _____ am aware of this policy, it is my intention to transport my own student, _____, to from _____ on _____.

Therefore, I realize that my student will not be under the jurisdiction of the Jordan School District and I relinquish any responsibility for Jordan School District and/or _____ traveling to from that event.

I also have read and understand the following Jordan School District Policy AA414 section II. A. 10. f. which states:

"Students are not allowed to drive when participating in overnight travel."

I assure that my personal or rental vehicle will not be used, driving or otherwise, to transport my student to, from, or during this event. I also understand that my personal or rental vehicle will not be used, driving or otherwise, to transport students to, from or during the event that are not of my own family.
